I'm starting as a company

Do you want to start up a company (legal entity)?

We will accompany you, step by step, so that you can become established as easily as quickly as possible!

Easily

Once your company is created (see below) you can do all your administrative formalities at UCM

- Checking access to the profession
- [Registration with the Banque-Carrefour des Entreprises \(central business database\) and allocation of a business number](#)
- [Identification with the VAT authorities](#)
- [Affiliation to the social status of a self-employed person](#) (see below)
- [Affiliation of your company](#)
- Application for all other permits required for certain activities
- Affiliation to our [social secretariat](#) (payroll administrator) and our family allowance fund if you take on staff
