I'm starting up as a natural person

Do you want to create your own activity as a natural person?

We will accompany you, step by step, so that you can become established as easily as quickly as possible!

Easily

All your administrative formalities at UCM

- Checking access to the profession
- Applying for an itinerant activities permit / fairground activities permit
- Registration with the *Banque-Carrefour des Entreprises* (central business database) and allocation of a business number
- Identification with the VAT authorities
- Application for all other permits required for certain activities
- Affiliation to the social status of a self-employed person
- Affiliation to our social secretariat (payroll administrator) and our family allowance fund if you take on staff
